

Prominent Alumni of Psychology Department

Nasma Hassan (Batch 2017-2020)

Founder of Spotlight

Spotlight is a unique support platform addressing issues such as domestic violence and child abuse. Operating 24/7, the platform offers diverse support services, including psychological assistance and therapy, catering to individuals facing various challenges. The platform's significance lies in its ability to provide timely assistance to those in need by acknowledging the continuous nature of crises. Spotlight's commitment to addressing the distinct needs of individuals in challenging situations makes it a vital and responsive initiative.
