The Enterprise Resource Planning (ERP) of St. Aloysius College Elthuruth

Linways AMS is the Enterprise Resource Planning (ERP) system used by St. Aloysius College. It is developed and managed by Linways Technologies Private Limited and comprises various modules such as **Academic Admin, Admission, Finance, Exams,** and **NAAC**. These modules enable the smooth functioning of the college's academic and administrative activities. The system provides access to authorized users at different administrative levels, including **Administrators, Principal, Heads of Departments, Faculty, Students,** and **Parents**, to ensure e-governance in areas like administration, finance, student admission and support, and examinations.

Centralised and automated E- Governance through Linways Academic Management System
