Date	September 2022 - March 2023
Number of Students Benefitted	57
Nature of the Event	Competitive Examination

Report

The IELTS training course for the academic year 2022-2023 at St. Aloysius College, Elthuruth, continued to build on the success of the previous year. Under the expert coordination of Dr. Atheetha K. Unni, the course aimed to further enhance the language proficiency and test-taking skills of degree students aspiring to pursue opportunities abroad.

This 30-hour course, conducted from September 2022 to March 2023, was meticulously designed to cover all aspects of the IELTS exam, focusing on the development of key skills in Listening, Reading, Writing, and Speaking. The curriculum was updated to reflect the latest trends and requirements of the IELTS examination, ensuring that students were well-prepared to achieve high scores.

Students engaged in a variety of interactive sessions, including mock tests and group discussions, which provided them with a realistic understanding of the exam format. The training also emphasized critical thinking, effective communication, and the ability to articulate ideas clearly, which are essential for success in the IELTS Speaking and Writing modules.

The course concluded in March 2023 with a certificate distribution ceremony. The participants expressed high levels of satisfaction with the course content and delivery, citing the personalized feedback and targeted practice sessions as key factors in their preparedness for the IELTS exam.

IELTS TRAINING

1. Course code:

2. Introduction: Educational institutions, employers, professional registration bodies and government immigration agencies often require proof of English language skills as part of their recruitment or admission procedures. IELTS is widely accepted for these purposes. IELTS (the International English Language Testing System) is designed to test the language ability of people who want to study or work where English is used as the language of communication.

IELTS Training course would provide ample opportunities for upgrading the language skills of the students. This intensive 30-hour course enables students to acquire English language proficiency in preparation for the IELTS examination. The comprehensive and academically rigorous course puts equal weight on reading writing, listening, speaking and test taking strategies. It focuses on the four language skills of speaking, listening, reading and writing whilst supporting each skills-based lesson with activities designed to enhance vocabulary and grammar language systems. In addition, it focuses on providing students with the skills required to address the questions and tasks accurately and efficiently.

3. Eligibility: Candidates who are pursuing bachelor degree in any subject with minimum of 50% of marks will be eligible, for the admission to this training course. The admission is open to all the UG students of

St. Aloysius College.

Report

The Department of Commerce (B. Com Computer Applications) at St. Aloysius College organized Aloy Expo 2k22 on 26th October 2022 to develop entrepreneurial skills among students. This event was an initiative by the Entrepreneurship Development (ED) Club, providing a platform for students to showcase their business skills by selling products. A total of 23 teams from various departments participated in the expo, which was held in the college auditorium. The key objectives of this programme are to encourage students to explore entrepreneurship, to provide a platform for students to practice real-life business scenarios by selling products. And to teach students about profit-making, pricing strategies, and business operations. The inaugural ceremony was started at 11.30 am in the college auditorium. Principal in charge Dr. Betsy Paul C inaugurated the programme by cutting the ribbon. There were 10 food stalls like Shawarma, ice cream, Brownies, irani pola, panipuri, pups, cakes etc. There were 9 game stalls like Pyramid breaking, buzz wire, ring toss, carrom board, card game etc. Balance 4 stalls for paintings, mehandi, cloth and fancy items. Around all staff & students whole heartedly co-operated and attended in this function.

The programme was a great success and enjoyed by all participants, students, teachers, public etc. They had a very good opinion about the event. The active participation of students in the production and sale of these products have given them an idea on 'how to earn while learn' and how to become successful entrepreneurs. This will encourage the students to enter into entrepreneurship venture into future. The programme ended at 3.30 pm.
