Nature of the event	Career and Placement Guidance

### Report

On 11th July 2023, the Department of Mathematics at St. Aloysius College, Elthuruth, Thrissur, organized a Career and Placement Guidance session for its Mathematics students. The session was held in the College Auditorium and was conducted by Mr. Krishnadas Ashok, an eminent academic professional.

#### About the Speaker

Mr. Krishnadas Ashok is the Academic Head at Career Launcher, Thrissur, and a Senior Research Fellow at the Center for Research in Mathematical Sciences, St. Joseph's College, Irinjalakuda. With extensive experience in both academia and the professional world, Mr. Ashok is well-versed in the career opportunities and challenges faced by students pursuing Mathematics. His dual role as an academician and a mentor at a leading career institute made him an ideal speaker to guide students in making informed career choices.

#### Objective of the Session

The primary objective of the session was to provide Mathematics students with insights into the various career paths available to them. The session aimed to:

- **Highlight Career Opportunities:** Inform students about the diverse career options available to those with a background in Mathematics.
- **Placement Guidance:** Offer practical advice on how to prepare for placements, including resume building, interview techniques, and the skills required by employers.

- Encourage Further Studies: Motivate students to consider advanced studies in Mathematics and related fields, highlighting the benefits and opportunities that come with further education.

## Key Highlights

During the session, Mr. Krishnadas Ashok covered several key topics:

- Diverse Career Paths: He discussed the wide range of career options available to Mathematics graduates, including roles in data science, finance, teaching, research, actuarial science, and more.
- Skill Development: Mr. Ashok emphasized the importance of developing both technical and soft skills. He advised students to build strong analytical skills, problem-solving abilities, and effective communication, which are crucial for success in the job market.
- Resume and Interview Tips: Practical guidance was provided on how to craft a compelling resume and perform well in interviews. Mr. Ashok shared valuable tips on how to showcase academic achievements, internships, and projects effectively.
- Advanced Studies: He encouraged students to consider pursuing postgraduate studies or research opportunities, especially for those interested in academic or research-oriented careers.

## Student Engagement

The session was highly interactive, with students actively participating in discussions and asking questions. Mr. Ashok's approachable manner and insightful responses made the session both informative and engaging. The students appreciated the practical advice and the personalized guidance provided.

## Conclusion

The Career and Placement Guidance session by Mr. Krishnadas Ashok was a resounding success, offering valuable insights and guidance to the Mathematics students of St. Aloysius College. The session not only broadened the students' understanding of the career opportunities available to them but also provided them with practical tools and advice to navigate their future career paths.

The Department of Mathematics is grateful to Mr. Ashok for his time and expertise, and we look forward to organizing more such sessions in the future to continue supporting our students in their academic and

professional journeys.

### REPORT

The Department of commerce BCom Banking and Insurance of St. Aloysius College Elthuruth, organized an enlightening seminar on “EMBARKING ON EXCELLENCE: NAVIGATING WITH PURPOSE AND PASSION” on 6-02-2024. The program was conducted for the first-year students of the department of St. Aloysius College. The Program was organized in the first year class room from 10.30 am. The Program started by the welcome note of Ms. Silpa Joshy C, Programme coordinator B.com banking and insurance. She underlined the importance of seminars like these in providing students with a platform to enhance their knowledge and skills. The session was handled by Dr. Rema P, Dean of Commerce and Business Administration Carmel College (Autonomous), Mala.

In the session, the resource person explained about the importance of setting a goal to achieve and encouraged the students to work for their career development and motivated them to seek both domestic and international opportunities. If the students are not passionate about career and life there is no force on earth that can make them work towards it and if they are passionate about something and determined there is nothing that can stop them from getting there. It was really an interesting session where students got an opportunity to interact with the resource person. Gautam Sunit & Selin of first year banking asked how to fulfill their dreams & to choose a different career.

After the presentation, Afra Sharafudeen, first year student delivered the vote of thanks, expressing gratitude to the resource person, Dr. Rema.P, for her valuable contributions and support in making the

### Report

B Com Co-operation and Career Placement cell in association with the Indian Institute of Commerce organised a program "The Right Turn" for commerce students to explore the realm of commerce. The program was held on October 27, 2023, Friday at 2.15 PM in the college auditorium. The session started with a prayer and welcome speech given by third-year student Muhseena PM.

One of Kerala's keynote inspirational motivational speakers, an educationalist, and an experienced public speaker Shameem Pariyanghat led the session. He is the one who frequently conducts training sessions across Kerala on subjects including leadership, student growth, career development, and life skills. The resource person gave them an explanation of the abundance of opportunities found outside. He also urged the students to pursue their interests in the future rather than letting others drive it. The session helped students to make career decisions. At the end of the session, they conducted a scholarship exam for students and the results will be provided later.

## CAREER GUIDANCE PROGRAMME

Title of Programme	Career Guidance
Organising Cell/ Department	English Department
Date	19/07/2023
Number of Students Benefited	20
Nature of the event	Career Guidance

### REPORT

On July 19, 2023, the English Department hosted an enlightening career guidance program designed to assist students in exploring various potential career paths and making informed decisions about their futures. The session featured Kevin Sony, an accomplished alumnus of the Department of English at St. Aloysius College, who shared his valuable insights and experiences regarding a multitude of career options available to English graduates. Drawing from his own journey, Kevin emphasized the importance of understanding the diverse skills required for success in different fields, such as communication, critical thinking, and adaptability.

During the program, students had the opportunity to engage in meaningful discussions, ask questions, and seek advice tailored to their individual aspirations. Kevin highlighted emerging career trends and opportunities within the realms of writing, teaching, media, and more, inspiring students to broaden their horizons and consider unconventional paths. His practical tips on networking, building a strong resume, and honing transferable skills provided students with a concrete framework to navigate their future careers confidently.

This event was a significant step toward empowering students to take charge of their career trajectories, encouraging them to explore their passions while being well-equipped to face the challenges of the professional world. The English Department remains committed to facilitating such initiatives, ensuring that students not only excel academically but also possess the necessary tools and knowledge to thrive in their chosen careers.

### Report

The Department of BCom Co-operation and Kerala Knowledge Economy Mission organised an orientation session on the Digital Workforce Management System. The session was conducted on 05 January 2024, in the college auditorium. Kerala Knowledge Economy Mission (KKEM), an initiative by the Kerala Development and Innovation Strategic Council (K-DISC), strives to generate employment opportunities for the educated population. Its primary objective is to transform Kerala into a Knowledge Society, where knowledge is both produced and utilised for the betterment of its social and economic growth. The theme for the session was “How to apply for a job”. Ms Anitha V R, a Talent Curation Executive from Kerala Knowledge Economy Mission took the class. The training is focused on final-year degree students. The orientation programme is planned in two sessions. In the morning session (10.30 am to 12.30 pm ), two or three students from each department were selected and provided basic training in registration and career support programs. In the afternoon session, the selected students assisted the participants for registering. The students also had the chance to get career counselling from the Kerala Knowledge Economy Mission. For that students have to book an appointment for the same.

### Report

**St. Aloysius College, Elthuruth**

**Course Coordinator: Dr. Atheetha K. Unni**

**Duration: September 2023 - March 2024**

**Course Duration: 30 Hours**

The IELTS training course for the academic year 2023-2024 at St. Aloysius College, Elthuruth, was successfully conducted, continuing the tradition of excellence established in previous years. Dr. Atheetha K. Unni, the course coordinator, ensured that the program was both comprehensive and responsive to the evolving needs of students.

This 30-hour course, running from September 2023 to March 2024, provided in-depth training across all four components of the IELTS exam: Listening, Reading, Writing, and Speaking. The curriculum was enriched with new resources and practice materials to offer students a cutting-edge preparation experience. Interactive teaching methods, including role-plays, peer assessments, and personalized coaching, were integral to the course, fostering an environment where students could practice and refine their language skills in real-time. The focus on practical application ensured that students not only understood the theory behind each test component but also gained the confidence to perform under exam conditions.

The course concluded in March 2024, with certificates awarded to all students who completed the training.

Feedback from the participants highlighted the course's effectiveness in boosting their IELTS scores and preparing them for the challenges of the exam. The success of this program reflects the institution's

### IELTS Training

Research and PG Department of English

### IELTS TRAINING

#### 1. Course code:

2. Introduction: Educational institutions, employers, professional registration bodies and government immigration agencies often require proof of English language skills as part of their recruitment or admission procedures. IELTS is widely accepted for these purposes. IELTS (the International English Language Testing System) is designed to test the language ability of people who want to study or work where English is used as the language of communication.

IELTS Training course would provide ample opportunities for upgrading the language skills of the students. This intensive 30 hour course enables students to acquire English language proficiency in preparation for the IELTS examination. The comprehensive and academically rigorous course puts equal weight on reading writing, listening, speaking and test taking strategies. It focuses on the four language skills of speaking, listening, reading and writing whilst supporting each skills-based lesson with activities designed to enhance vocabulary and grammar language systems. In addition, it focuses on providing students with the skills required to address the questions and tasks accurately and efficiently.

3. Eligibility: Candidates who are pursuing bachelor degree in any subject with minimum of 50% of marks will be eligible, for the admission to this training course. The admission is open to all the UG students of St. Aloysius College.

## 7. Assessment Strategy:

Student progress will be assessed on a weekly basis with feedback given in class. No grades will be given as the aim of feedback is to allow students to focus on areas that require improvement and to provide a supportive but informal method of allowing students to progress. Students will also do official IELTS practice exams every week, thus providing immediate feedback on progress.

## Speaker Profile- Abi Varghese

Mr. Abi Varghese is an academican as well as an innovation and entrepreneurial enthusiast. His passion and intense efforts in this direction have made him the recipient of the prestigious Gandhian Young Technological Innovation (GYTI) award from Rashtrapati Bhavan, New Delhi, in the year 2016.

He has received various accolades at the National level for innovation and entrepreneurial events like the India Innovation Initiative (I3), organized by CII, DST, Govt of India, and AICTE, and the Design Impact Award by TATA Trust. His role as an efficient organizer, critical evaluator, insightful mentor, and the studious participant is very well received all over the state of Kerala through his involvement in reputed and high-octane events like Tech Top, Rural Innovators' Meet, etc. to name a few. He has delivered more than 130 sessions as a domain expert, which shows his acceptance amidst the innovation and entrepreneurship community. It is also worth mentioning that he has always strived to create avenues for knowledge sharing through the conduction of workshops and FDPs on innovation and entrepreneurship, Project competitions like Malayala Manorama Yuva Mastermind, colloquiums like ISBA Conference, IEDC Summit, Rural Innovators Meet, etc. to name a few.

A person with Engineering Design as a background, Mr. Abi mostly focussed on designing and developing equipment for the agricultural sector. He has received research funding from various government agencies like the Department of Science and Technology and Ambedkar Social Innovation and Incubation Mission (ASIIM) under Govt. of India and KSCSTE and KSUM under Govt. of Kerala, KTU, etc. As an outcome of his research and product development activities, Mr. Abi has a total of 28 publications and one design patent to his credit. He is currently pursuing his research in the field of Product Design and Ergonomics from the National Institute of Technology Calicut. Currently, Mr. Abi is working as an Assistant Professor in the Department of Mechanical Engineering, at Amal Jyothi College of Engineering, Kanjirappally, Kottayam where he has won the Best Faculty Award multiple times and also as the Convenor for Makerhub IEDC, which is an abode for the innovative and entrepreneurial minds

## AWARENESS PROGRAM ON CAREER DEVELOPMENT, ENTREPRENEURSHIP, AND DIGITAL MARKETING

Title of the Programme	Career Development, Entrepreneurship, and Digital Marketing
Organizing Cell/ Department	Innovation Council, ZTEPO
Date	8-12-2023
Number of Students Benefitted	39
Nature of the Event	Entrepreneurship

### Report

This report is based on an awareness program on Career Development, Entrepreneurship, and Digital Marketing that the institution's innovation council ran at St. Aloysius College, Elthuruth in partnership with "ZTEPO and LEARN WITH ENTREPRENEUR" on 8<sup>th</sup> December 2023. Dr. Jasmine Mathew from the mathematics department gave a welcome speech to kick off the session at about 1:30. Together with five faculty members, the program was attended by about 65 pupils. Participants in the program included students from a variety of departments, including B.com CA, BBA, BA, MA Economics, and M.com. The lessons were instructive and participatory. The three ZTEPO members conducted the seminars. Anandhapadmanabhan who is an advertiser, gave the students an introductory speech and the rest of the classes were taken by Krishnadev and Nikhil. The former is an influencer and the latter is an entrepreneur. Many subjects were explored, such as Chat GPT, internet fraud, and Fiverr, a global freelance marketplace. Many students discussed their business ideas and various suggestions were given. The college bell rang at 3:15, marking the end of the classes. Sanju Sunny, an M.com student, gave a vote of gratitude to end the program.
