Author Guidelines

Referencing

Our preferred referencing style is APA latest edition (presently 7th Edition), however you are free to use whichever style suits the conventions of your subject area.

Reference list

- Please ensure that all listed references are cited, and all cited references are listed.
- All authors' names should be written as "Surname", "Initials" (i.e. Scaife, A.).

Copyright

The author/editor should abide by the provisions of the Copyright Act, 1957. The Publication division of St. Aloysius College promotes the use of Creative Commons License and Open Access.

Creative Commons and Open Access

Creative Commons and Open Access Copyright works may be made available via a creative commons license, which is also the mechanism by which most publications are made open access. There are numerous creative commons licenses that allow varying degrees of freedom to reproduce material. See creativecommons.org for more information and links to creative commons media and sources.

Note: Any issues raised in relation to the Publication Division will be addressed by the Publication committee and the decisions of the Publication committee will be final.
